HIKING RECOMMENDATION

SCHLATT – HASLEN «AUSSICHTSWEG OBEDÖRI»

The route marked with white signposts – labelled «Aussichtsweg obedöri» - invites you to enjoy the warming rays of the sun with the best view in summer and winter. The ultimate hiking suggestion for all sun worshippers.

This easy route, which runs along a little-used side road, promises not only lots of sunshine but also plenty of panoramic views. As the hiking trail is signposted with white additional signs, labelled «Aussichtsweg obedöri», and is safe throughout, you can concentrate entirely on enjoying the scenery. On the way, you will repeatedly be rewarded with a beautiful view of the Alpstein, and about halfway along the trail, the Gasthaus Leimensteig (inn) will tempt you to stop for a bite to eat. The most convenient way to reach the starting point and destination is by Publicar bus.
