FREE ARRIVAL AND DEPARTURE – HOW IT WORKS
 Book a hotel, a B&B or a holiday flat of your choice in Appenzell Innerrhoden and indicate during the booking process that you wish to travel by public transport.

Order your tickets at least four working days prior to your arrival online at www.appenzell.ch/grüninsgrüne or by phone at the Tourist Information (+41 71 788 96 41).

After your order, you will receive your public transport tickets from the Appenzellerland Tourismus AI and the Appenzell Holiday Card (necessary for the journey) from your accommodation with more than 20 further free offers.

These documents are sent by email. This allows you to conveniently save the ticket on your smartphone or to print it out at home.

APPENZELL CARD ALL-INCLUSIVE

THIS IS WHAT YOU NEED TO KNOW

Adults and children aged 6 and over who spend three consecutive nights or more in a hotel, mountain inn, holiday apartment or B&B will receive the Appenzell Card free of charge from many establishments. The card entitles the holder to all the benefits listed on the reverse. The offer is valid in Appenzell Inner Rhodes. Ask about the Appenzell Card (Appenzeller Ferienkarte) when you make your reservation.

- The Appenzell Card is valid only with an identity card/passport with photo. The card and the identity card/passport must be shown at the counter or to the attendant before use.
- The card is issued for three nights of accommodation at full price.
- In the event of an early departure (a stay of less than three nights), the accommodation-provider has the right to request the full overnight price per night, but at least CHF 22 per night and card.
- The card cannot be purchased.
- The card may not be charged by the accommodation-provider in addition to the price for overnight accommodation. It is included in the price for the overnight stay!
- The card is valid for a maximum of seven nights.
- Guests, who stay for longer than seven nights, will receive a new Appenzell Card from the accommodation-provider free of charge.
- Participants are responsible for their own insurance.
- The opening hours of the services are to be observed and complied with.
- Not all the services are available all the time. There is no entitlement to compensation.
- The card is valid for second class travel on the trains and post buses. The card cannot be combined with other discounts (e.g. junior/senior card).
- The PubliCar is included in the Tarifverbund OSTWIND. However, the supplement of CHF 5 per person and trip must be paid in any case. It can be paid for in the vehicle or via app.
- There will be no reimbursement on travel tickets that have already been paid for or if the cable cars are not used because of a shutdown.
- The Appenzell Card is not valid for special trips by cable cars or trains.
- Tennis court use is limited to indoor tennis, for one person and not for one court. Playing partners must also show their Appenzell Card or pay their share (excl. racket hire). A reservation by phone (+41 79 349 30 67) is required.
- Try-on shoes can be provided only while stocks last.
- The bobsled ride is valid for one sled only and is redeemable Monday through Friday.
- Only a limited number of bicycles are available and it therefore cannot be guaranteed that there will be a sufficient number of cycles for hire. It is therefore recommended that bicycles be reserved as early as possible.
- The rented bicycles can be transported under the normal conditions on public transport (not free of charge).
